

Ethan

Assigned Wednesday 8th of November

This task follows from last week. On the services page, once the user clicks 'Car Servicing', they should be redirected to a new web page that displays the types of car servicing offered.

- Interim Service (Recommended every 6 months or 6k miles)
- Full Service (Recommended every 12 months or 12k miles)
- Major Service (Recommended every 24 months or 24k miles)
- Oil and Filter

Make a similar interface from the image below.
