## Task: Modify Web Page

The screenshot shows a login form titled "Sign in to your account". It contains an "Email" input field, a "Password" input field, a "Forgot your password?" link, a "Sign in" button, and a "Sign Up" link. Annotations include a red box around the "Sign Up" link and a red arrow pointing to it from the text "Adding a button for staff login." below the form.

## Task: Create Garage Manager Dashboard

\*\*similar to customer profile but different sections

**User Information:**

- Username: Shown for reference.
- Full Name: Not editable.
- Password: Allows managers to change their password.

**Contact Information:**

- Phone Number: Displayed and editable.
- Address: Displayed their address and editable.
- Emergency Contact: Optional field for adding an emergency contact person and their details.

**Business Information:**

- Garage Name: The name of the garage managed by the user.
- Garage Address: The physical address of the garage.
- Garage Telephone Number: Phone number.

**Staff Management:**

- List of Garage Staff: Displays a list of staff members working at the garage, including Mechanics and Receptionists.
- Ability to Add/Remove Staff: Allows managers to add new staff members or remove existing ones.

**Bookings:**

- Appointment Calendar: Displays an overview of the upcoming appointments at the garage.
  - Appointment Management: Once a date is selected, managers can view scheduled appointments, reschedule, or cancel bookings at the garage.

**Feedbacks:**

- View and Respond to Feedback: Allows managers to view customer feedback and ratings and respond to reviews.
